November 2009

Dear Friends,

It was only a year ago that we proposed that members join the Association's delegation to the Vancouver conference to support France's ultimately successful bid to host the 2015 World Convention, a project that we had been working on since 2007.

Within the next month the model for the first wall mural in Lyon depicting the history of the city's rose breeders will be unveiled, with the final painting to be completed next year.

We thank you, our members, from the bottom of our hearts, for it was your unwavering support that enable Anciennes Roses en France to succeed in these two projects.

We wish you all very happy holidays at this year's end and extend our best wishes for 2010! May we see many of you a year from now at the inauguration of the mural in Lyon's 8th District, the birthplace of so many lovely roses. Please remember to consult our website for information on our lecture series by Jean-Claude Nicolas.

I hope you enjoy reading this our 15th annual bulletin and thank you in advance for your renewing your membership for 2010.

Rosamicalement,

*Josiane Pierre Bissey
President*
